As I am writing this, I am sitting on the front steps of our school. To my left is the Science Building; to my right is the new classroom building, still under construction; and in back of me is the Administration Building. These are all creat tributes to Hunterville. Our beautiful green lawns and our majestic buildings are all living truths that remind us that Canoga is the greatest. Those that have gone before us have made it so, and we, now, are ever striving to make it a living tradition for those that come after us.

As Hunters we all have so much to be thankful for: above all, the high caliber students that surround us make it a pleasure to go here; our fine teachers that give us inspiration to do bigger and better things in the world; and our traditions, marked with honor and glory. Never let us forget the illustrious post we have had. And it's not over. Hunters will continue to have the best school ever.

am deeply honored that I have had even a small part in adding to it. For this I am, indeed grateful and hoppy to be a Hunter at Canaga.

Good luck to all Hunters in any and everything they might endeavor to do.

Jock Russell

As the semester close is now upon us, many of our students will be facing new situations and experiences.

To the graduating seniors their life is now beginning anew. The door has suddently opened and freedoms of an unlimited nature will be theirs to enjoy. But with these freedoms there will be new and added responsibilities, the principle one being to themselves as individuals embarking on a new horizon. From here on, their lives will be molded into the permanent mold. I want to extend my congratulations and best wishes for your future happiness.

To you, the remaining students, there will also be new experiences coupled with responsibilities to your parents and your school. Here you are setting the foundation for your life

In closing, I would like to leave you with this thought "What we will be we are now becoming."

Sincerely,

Richard Zimmerman

## Cavemen had a two party system

#### BOYS! LEAGUE

During the fall semester, Boys" League was concerned with two main projects. The first was the revision of the League's constitution, and the second was the planning and preparation for their semi-annual dance.

President Tom Hill guided constitutional change procedures and also lead his hustling group to success with their dance, "At Rainbow's End".

#### GIRLS' LEAGUE

The busy cabinet presented the usual New Girls' Party, Rose Ceremony, and this year a Christmas project for the children of Camarillo State Hospital. The fashion show, "Autumn Leaves", had eighty participating girls, and the Dad-Daughter Banquet drew great support with two hundred dads and daughters attending. The greatest success was the semi-annual vice-verso, "Song of the Seas. This dance was the greatest ever at Canoga Park with approximately four hundred couples attending.

1960 Utopian Staff

These scurrying, hurrying kids always seem to be in a rush.

"Let's take a vote."
"What about those football layouts?"

"We've got to make it modern looking."

"It's O-U-L-L-E-T"

"The deadline was yesterday!"

'How do you make running heads about cavemen?"

But with all the insoluble problems, the difficulty of capturing every phase of the year at Canoga, and the change of sponsors from Mr. Browne to Mr. Carrillo, the 1960 UTOPIAN emerged as an excellent successor to the prize-winning annuals of the past.

The HUNTERS' CALL stoff under the sponsorship of Robert W. Scheibel did a fine job of getting out our school paper.

The staff had two co-editors for the fall semester, Stuart Fox and Irene Strelitz.

Conago's varsity Lettermen's Club under the sponsorship of Coach Ray O'Connor, have fought for victory in every field and Canaga's Hunters are proud of them

the strongest of the tribe organized

#### LETTERGIRLS' CLUB

The purposes of the Lettergirls are:

- 1. To provide an organization for girls who have earned their letter in G.A.A.
- 2. To encourage new pupils in school to join G.A.A.
- 3. To assist the girls' physical education department and to render service to the school outside of G.A.A.

to protect the others against enemies.

#### BOYS' AND GIRLS' GLEE CLUBS

Boys and Girs' Glee Clubs provide an opportunity for group's nating and encourage good fellowship among their members. This year the combined Glee Clubs, under the leadership of Mr. Sidney Lazar, song for vareous performances such as the Christmas Assembly and Vespers.

# The echo of voices practicing animal calls

#### CANOGA BOOSTERS

Canoga Boosters Club is an organization in charge of promoting Canoga's clean campus. The big activity for the fall semester was a clean campus contest between Monroe and Canoga. The event lasted three weeks, and the Hunters received a humiliating one paint defeat from the young Vikings.

Kothy Settle, Halls and Grounds Chairman, was in charge of this and all other Booster campaigns.

#### CAFETERIA WORKERS

Hungry Hunters were on their way, but the cafeteria workers were ready. These quick, neat, clean, honest students served food daily at brunch and lunch.

All workers received Gold "C" credit, and if you were lucky enough to work at lunch you also received a free meal.

# could be heard through the dimly lit caves.

#### NATIONAL FORENSIC LEAGUE CHAPTER

The N.F.L. Chapter worked to make effective speakers, and through increasing their ability in speaking make them more responsible citizens. The officers of the club were: James Rawley, President; Alan Haber, Vice President.

#### **FUTURE TEACHERS**

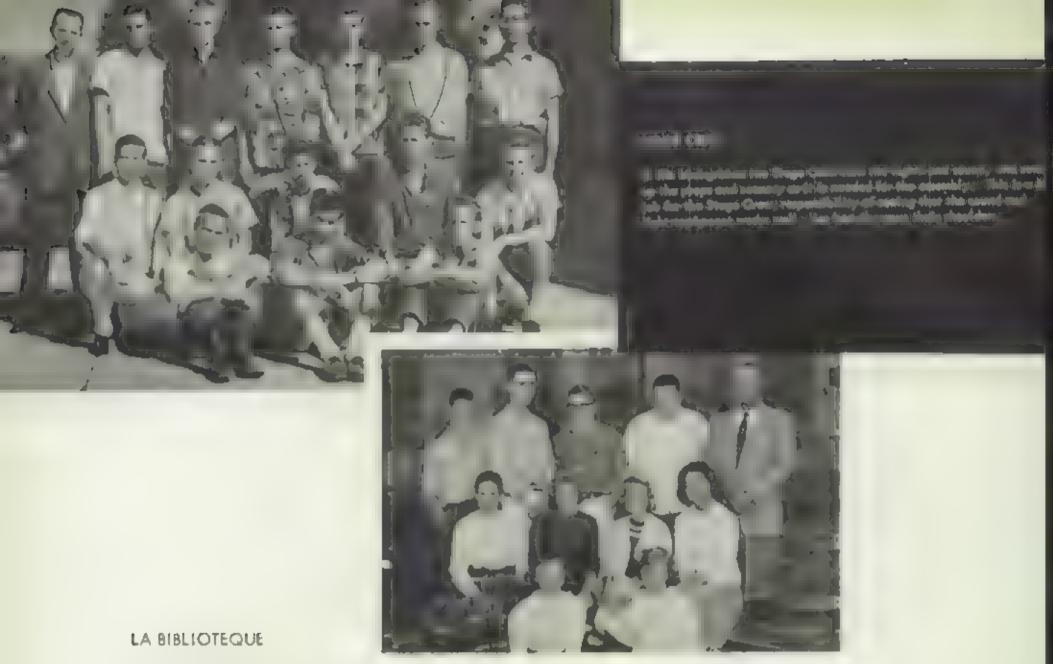

The Future Teachers Association Club was open to all students interested in a career as a teacher. Good attendance and interest in teaching were the only requirements necessary.

## many joined without being forced.

#### FUTURE ENGINEERS OF AMERICA

The Engineering Club, sponsored by Mr. Bernard Feldman, endeavors to stimulate interest in the many fields of engineering. Some of the boys visited the Science Center at Birmingham High to discuss engineering problems with other high school students.

The Library Club was sponsored in past years by Miss Irene Pilot. Mr. Forrest Forrell has done a fine job in taking her place both as school Librarian and Sponsor of this club.

## The cave wizards mixed a rare brew

#### USHERS

If it were not for the ushers' fine work in seating and quieting students, Hunters wouldn't be
able to enjoy assemblies as much as they do.
Most of the studentbody have probably come
to think of them as an integral part of the auditorium.

#### MATH CLUB

Under the direction of Mr. John Thorton, the Math Club promoted general interest in mathematics. Lecture and discussion topics alternated from week to week. They ranged from general mathematics to strict mathematics in the field of topology, number theory, non-Euclidean geometry, and theory of games.

#### PHYSICAL SCIENCE CLUB

Canoga's Physical Science Club, besides promoting the study of Physics, gave the students a chance to get together with all the other science majors and exchange their ideas as well as their science plans for the future.

## known as a mathematical formula.

#### TECHNICAL SERVICE CREW

Can you recall the clear and distinct voices of the speakers during the assemblies? Do you sometimes stay up nights trying to figure out why they are so audible? Well, you don't have to lose any more sleep. The technical service crew is responsible for amplifying the autput of speechmakers. They are responsible for sound systems at all Hunterville assemblies and many other activities.

#### **VIBGYOR**

Vibgyor is a scholarship organization composed of students who have earned 10 points on their 20 week report card, with no "U's". The club was organized to encourage scholarship among the students of Canoga. The sponsors, Mrs. Marie Goebel and Mrs. Doris C. Loftness, were assisted by Lupe Martinez, President, and Dale Armstrong, Vice President.

future club carriers, known as College.

#### MARCHING BAND

Sponsored by Mr. Ado ph Singer, and directed by Don Powers, the marching band partic pated in many of the school athletic activities. It contributed its music to the football and basketball games and a so to the assemblies. Main purpose of the band is to support the athletic programs; its main goal is to promote school spirit.

## "Romeo and Juliet"

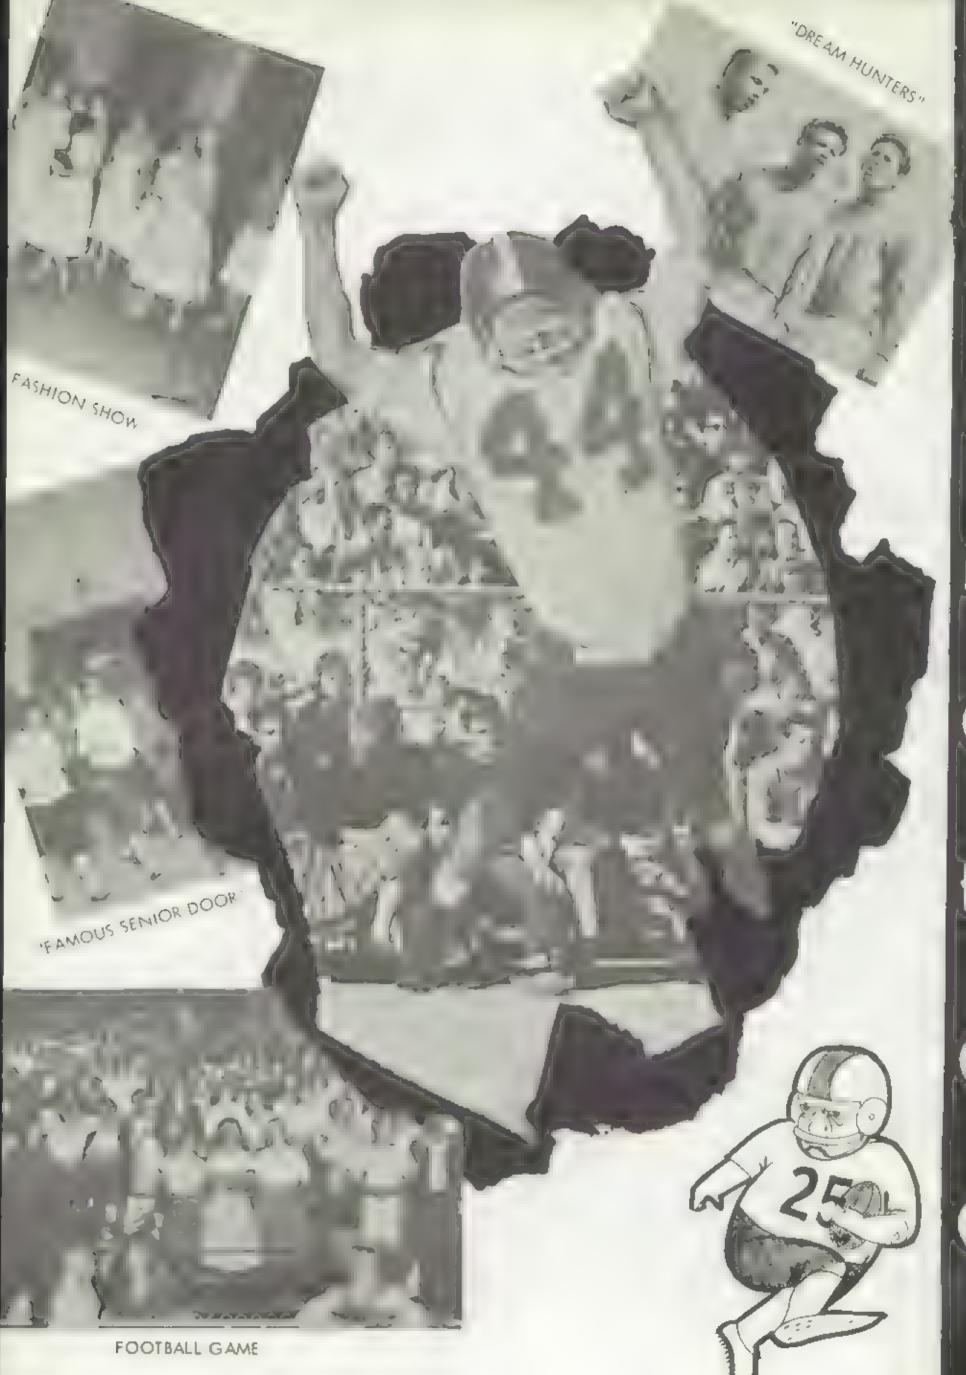

The play, "Romeo and Juliet" was written by William Shakespeare. It is a romantic and tragic story of " a pair of star-crossed lovers." It is because of the universality of the characters and situation in "Romeo and Juliet" that it has been selected to introduce the students at Canoga Park High School to their first experience in viewing a Shake-spearean play. The members of the cast have had from three to six semesters in the study of acting and theatre in high school.

Allen Beck, John Bushfield, John Sipes, John Burris, Armando Aguilar and the rest of the fighting Hunters cheer energetically for Hunters on the field in the Birmingham game.

While playing in the Antelope Valley game, Verne Greenwood tries to elude the ancoming attacker.

Eagerly awaiting lazy aerial from fullback, Rick Shields, in Monroe end zone is Canogo Park end, Joe Miller. Miller houled in pass despite efforts of Rich Engel (20) to deflect it, giving Hunters go-ahead touchdown in important West Valley League game at Valley College. (Picture is by courtesy of the Valley Green Sheet).

Steve Delnick (30) holds while Jack White (23) kicks the pigsein over the goal past on Manroe Field during practice after school.

After the big win over Van Nuys, Head Coach, John Hanna, shows Steve Sutherland and Tom Hill how he did it in his days of glory.

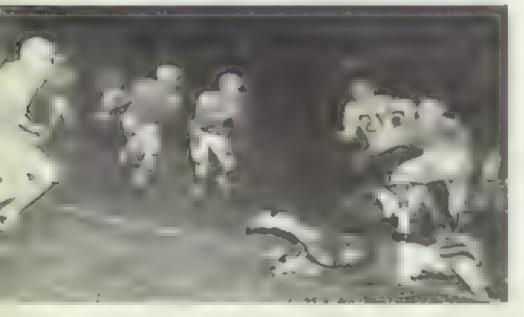

Hypnotized by joy after winning the Van Nuys name. Couch John McCaffrey is carried off the field by the gallant men on the Varsity Football Team.

The four players from Cleveland oppear to be backtracking as most of the Canaga team push their way through to get the ball. Rick Shields makes a jump pass to one of the Hunters down field. The Hunters are Dove Dawson (44), Vern Greenwood (27), Steve Sutherland (5) and Ben Ashbaugh (22).

Denn's Nruger (38) is cutting around left and leaving all but one die-hard Wolf behind as Tom Hill (33) is out to get him.

Rick Shields (21) makes a power drive through the Reseda line, bowling over one Regent and heading for more, while Ben Ashbaugh (22) and Bob McCleneghan (46) get into the play by blocking out another Regent.

Jay Ward (20) seems to be leaving half the Cleveland team at his feet as John Newman (70) is moving in to help.

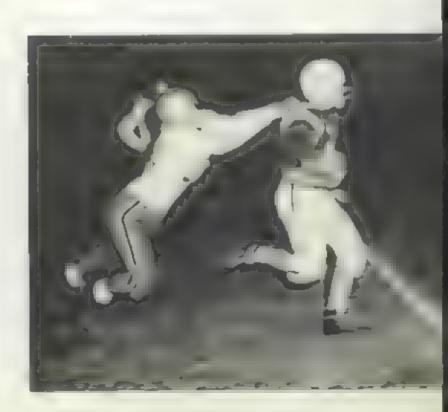

Dave Morshburn (22) takes In a beautiful poss as some flying foe from Cleveland dances in the background.

Rich Powell (16) evades Lincoin tacklers to make first down. Also pictured are Mike Doyle (54) and John Hickman (77). Powell's running played a big part in the "B's" opening victory against the Lincoln Tigers.

Canoga's mighty "Bee Team" storted the 1959 football season victoriously.

After they beat Lincoln 14-6, they went to play Antelope Valley and lost 14-0. After this game they lost their winning ways. But in that Van Nuys affair, the last game of the year they just walked all over the walves, 26-6. No team could have beaten them that night.

Jerry Withers (12) would have made a great touchdown except for one thing --- his shirt!

ighlighted by a tremendous 59-56 upset win over previously undefeated Monroe, the Hunter Bee cam completed a very successful league season with six wins and two losses to cop second place anding in the league.

II-League candidates, Ken Fircheem and Jack We is, lead the scoring with 76 and 74 points resectively. Sandy Gilman was another standout on the team.

ee Basketball was slightly hand capped by the fact that none of the boys have had previous experence on an organized team. The result of such inexperience was a league tie for fourth, with one in and seven losses. A 36-29 win over Reseda turned out to be the biggest moment of the season.

VARSITY CROSS COUNTRY

Even though Canogo's Varsity Cross Country was below its usual par, its fighting spirit and driving determination was enough to bring them to the valley Finals. The Canaga Harriers ended the riseason of play with no wins and four tosses. Next year there will be four returning lettermen out of this year's seven.

#### J. V. CROSS COUNTRY

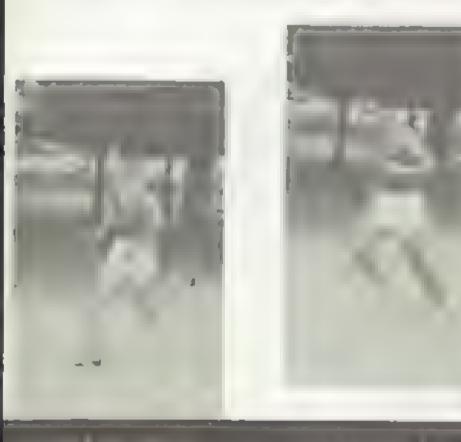

They took third in the Valley Finals and qualified for the City Preliminaries. The determination of the JV's led them to two wins and two losses in League play.

#### DRILL TEAM

This years' drill team was sponsored by Miss Constance Jones and Miss Cnythia Brown. The drill team did a fine job in their formations and precision marching on the field during half time at the football games. The drill team practiced on Mondays and Wednesday and often during their spare time.

"Where is the food's" asks drill team members, after they completed their exhibition at Cleveland.

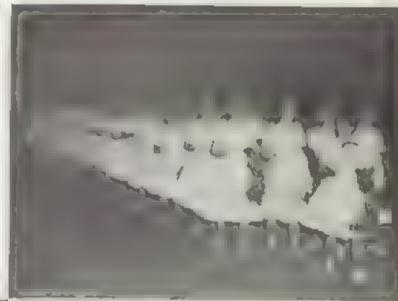

The girls march in step as they wait impatiently to go anto the field.

## entertained with ancient tribal dances.

### LOCKHEED AIRCRAFT CORPORATION EXTENDS

## CONGRATULATIONS TO THE CLASS OF '60

I corning covers an entire life span, but your formal education is always considered as a personal investment to a successful future. Your education will be ever more important as industry gears itself for the space age. Your future and ours depend on the highly skilled and highly educated men and women of today

Facing the challenge of advancing the technology of today is up to you. For those who continue their education and can qualify, there is a great future in the many fields related to space age work at Lockheed

Air/space travel, whether the vehicle is manned or unmanned poses vast problems. To expand the total technology of flight Lockheed's California Division proposes bold new concepts for both military and commercial vehicles. In line with this the Company has assumed major responsibility for research and development on future space vehicles. This responsibility extends from development of advanced components to major complex systems

As a leader in engineering and manufacturing of air/space vehicles and other products, Lockheed's project diversification calls for technical skills at all levels. Many individuals with varying levels of education have found promising career positions at Lockheed

When you think of your future, think of Lockheed
